

Your expedition begins at **BASECAMP** where you can fortify yourself for the journey ahead at the café then jump on board a truck ready to embark on the **PORT LYMPNE EXPERIENCE**. Take a drive on the wild side among herds of free roaming African wildlife on **THE AFRICAN EXPERIENCE**. Brave the array of creepy crawlies at the Discovery Zone before continuing by truck to **CARNIVORE TERRITORY**, home of our fiercest predators. Finally set off on foot or by Land Rover to **PRIMATE TRAIL**. Don't forget to discover Conservation in Action as you learn about our projects to help our endangered species overseas. For an alternative walking route please follow the signs from **BASECAMP** to rhino walk.

BUGGIES & PUSHCHAIRS

Unfortunately our trucks cannot take buggies, pushchairs or strollers! Please leave yours in the Basecamp buggy park if you wish to go on safari. You can then pick up one of our park strollers to help you around the walking areas or take the truck back to Basecamp to collect your own. There is a walking route that you can use either as an alternative or after your safari.

VIP EXPERIENCES

We offer a range of VIP experiences including Animal Experiences, Bespoke Safaris and Keeper for a Day. Our Livingstone Lodge Overnight Safari was voted the best Tourism Experience in the country! Drop into the Basecamp information point for more information on our experiences and to pick up a leaflet.
