|  | Photo Opportunities              |  | No Public Access     |

## Conditions of Entry & Important Safety Regulations

- Please read and obey all instruction and warning signs in the park.
- Do not cross any safety barriers. • To prevent possible disturbance to our wild animals, we regret that dogs or other animals are not allowed in the park under any circumstances. • Facilities, animals, enclosures and events are subject to change. • New features may not be available at the time of your visit. • Feeding or touching the animals in the park, without permission from Howletts staff, is prohibited. • Visitors should make every effort to avoid causing alarm to the animals. • Children must be under the close supervision of a responsible adult at all times. Reins for toddlers are available from the ticket office. • First Aid is available at all open sales points.
- Visitors must observe the park's stated opening and closing times. Last entry to the park is 90 minutes before closing time.
- Wheelchair users are advised to keep to selected routes - please ask for advice. A shuttle service to certain areas of the park is available for the less-able. • Please do not leave any litter - take it home with you or place it in the litter bins located around the park.
- For safety and health reasons, smoking is prohibited in some areas of the park. • The Trustees of the park reserve the right to close any part of the park, without prior notice (for safety and operational reasons). • Cars and other vehicles are parked at the risk of owners; please ensure they are locked.
