# Welcome to the Mansion Bar & Terrace

For over a century, Port L ympne  
has entertained royalty, aristocracy,  
prominent politicians and playwrights.

Throughout the roaring 20s, notable  
guests included Charlie Chaplin, the Prince  
of Wales, Lord Mountbatten, Sir Winston  
Churchill and T.E Lawrence.

The mansion's library was refurbished to  
serve as a venue for the signing of treaties  
and The First L ympne Peace Conference  
was held at the mansion in 1920. Attendees  
included UK Prime Minister David Lloyd  
George, French Prime Minister Alexandre  
Millerand and a contingent of highly  
influential ministers and military figures.

## Afternoon Tea

Served daily in the mansion from

12pm - 4pm

Afternoon tea is served on traditional tiers, layered with a selection of finger sandwiches and savoury bites, delicate pastries and desserts and of course, scones with plenty of clotted cream and seasonal jams, accompanied by a selection of coffees and birchall loose teas.
