

HAVE YOU 'HERD' ABOUT COLLECTIVE NOUNS?

A collective noun is the name for a group of things. You will already know a lot of collective nouns for groups of animals (such as a herd of horses, or a flock of birds), but can you guess some of our favourites from the clues below?

The answers are at the bottom of this page, so cover them up before you start and no cheating! We've given you the answer to the first one to get you started...
